# Art for KIDS' Sake

## ART AUCTION

*Friday, December 13, 2013*

*Sponsored by Crowne Plaza Suffern*

### **PLEASE HELP US BY DONATING A SILENT AUCTION ITEM!**

We rely on business partnerships and donations from the community - through fundraisers like this one - in order to keep our programs growing and going strong! Because of your support, children facing adversity now have the opportunity to envision - and work for - a brighter future. Children who are mentored have greater confidence and better relationships with peers and adults, are more likely to avoid risky or violent behavior, and achieve higher academic success overall, enabling them to give back to their community.

**Your generosity makes it possible for Rockland youth to get the mentoring, education and support services they need.  
Together we can make the match that builds a future.**
