## Pumpkin Carving Party

On Saturday, October 5th, 2013 Big Sister, Jessica Fein, hosted the Big Brothers Big Sisters of Rockland County Pumpkin Carving Event. The day was full of fun-filled events, such as inflatables, apple bobbing, pumpkin carving and painting. Jessica was supported by friends and family who helped her host the event.

Brother David Fein, his wife Lynn Fein and Jessica's Dad Seymour Fein, all helped make this day possible.

The pumpkin creations were amazing and the day was full of great fall festivities.

Thank you Jessica for a great event.

## JUMP Program in Full Swing

The JUMP Program with Director Carleen Hobbs has a great group of kids this year. To welcome in the Fall Season, the Jump Program made bite sized apple pies and had a teamwork activity. They enjoyed baking their own dessert! The kids enjoyed some baked pasta for dinner.

The Jump Program also has a homework center where kids can meet with a mentor about homework.

The JUMP Program funded through the village of Haverstraw is open to children who live in Haverstraw and are between the ages of 7-15. Please call office for further information.

## Big & Little Spotlight

Little Sister Tezia & Big Sister Gall participated in Annual Alzheimer's Walk in October. Congratulations to Tezia who won a medal for participating in the event!

**Happy Sweet 16!** Christina planned her party from top to bottom. Christina we are so proud of what a mature young lady you have become.
