2013 Mentee Graduation

On Tuesday, August 2nd, Big Brothers Big Sisters of Rockland County, held its 2013 Mentee Graduation Ceremony at the Rockland County Legislative Building.

It was a truly inspirational and emotional event, witnessed by representatives of the Legislature, hosted by Chairwoman of the Legislature,

The Honorable Harriet Cornell and coordinated by BBBS Legislative Liaison, the Honorable Ed Day.

The evening was exciting yet challenging, as each of the Mentees said goodbye to BBBS staff as they now enter into an exciting world of college transition and career preparations.

Good luck to you all – keep in touch and God bless.

2013 Mentee Graduates

Fishing Derby at Lake Lucille

12pm-3pm
 **Bigs and Littles Holiday Party, Dave and Busters, Palisades Mall**

This years Big Brothers Big Sisters of Rockland County's Fishing Derby was sponsored by the Terrible Family and organized by Karissa Terrible. BBBS was amazed by the generosity of the Terrible family who annually undertakes hosting this event. When Bill Terrible is asked why he thinks it is important for the kids in our program to have a chance to fish, Bill simply says "No matter what kind of day you have had, if you

are fishing then it is a good day. It is important for these kids to have that chance." Every child walked away with fond memories with their mentors and all the kids are looking forward to next year.

Thank you to the last minute volunteers Dan Petrow and Karissa's friend Eric Mayer. Thank you to the Community of Lake Lucille for opening its doors yearly for this event.
